1.	DDCI				<p>Paragraph 3e(2)(b) of subject regulation is revised to more accurately reflect provisions of law. The current paragraph states that the Director of Public Affairs will provide the public with unclassified information about the organization, function, and mission of the Agency. Because some unclassified information concerning organization is exempted by statute, the term "unclassified information" is modified to read "appropriate information."</p> <p>The synopsis to this paragraph will be included in the overall synopsis [] Independent Offices, currently being published.</p> <p>In the opinion of the Office of General Counsel, your approval of the regulation is necessary to confirm the authorities delegated to the Director of Public Affairs.</p>
